REQUEST TO ADD THE NEUROSCIENCE DATA SCIENCE OPTION (DSO)

Student Name: _____ **Date: _____**

Advisor (PI) Name: _____

Instructions: Please review this form with your advisor to discuss which courses you would take to complete the DSO. Select at least 9 credits from 3 of the 4 topic areas listed on the Neuroscience DSO page. If course recommendations or guidance are needed, contact Dr. Matt Golub. After signatures are completed, forward the form to neurogrd@uw.edu to have the option added to your student record.

Data Science Topic Areas:

Software Development for Data Science

_____

Statistics

_____

Machine Learning

_____

Data Management & Data Visualization

_____

Approval: The student is approved to add the DSO option to their student record and complete a sequence of data science courses in lieu of the regular electives required of Neuro PhD students:

Dissertation Advisor

Matt Golub, DSO Faculty Chair
